Victory Home Care Services, Inc. may collect mobile phone numbers from clients and caregivers to communicate changes in schedules. We collect this information by utilizing this written form for consent. Examples of text communication are:

“This is a notice that caregiver will be someone different today due to sickness of main caregiver.”

“Good Morning, would you be able to pick up a fill in shift for an ill caregiver.”

These communications may occur several times per month, but not on a daily basis. You will have the option to opt out of receiving these text messages. Please be aware that Msg&Data rates may apply.
